NEW!
REGISTER YOUR VEHICLE ONLINE!

Pitt-Johnstown has recently transitioned from the traditional paper form of registering your vehicle to a new online system. Anyone who brings a vehicle onto campus is required to follow these procedures to properly register their vehicle with the Campus Police Department:

1. Browse to http://campusservices.upj.pitt.edu
2. As appropriate, select “I am Faculty/Staff” or “I am Student”
3. Sign-in using your University user name and password – click submit
4. Look for the Vehicle Registration module
5. Click GO to Register your vehicle online

DETAILS:
- The annual, full-time, vehicle registration fee is $90 and this entitles the student or employee to receive a hang tag permit for his or her vehicle. Part-time students (11 credits or less) will pay $45.
- If an employee is eligible for payroll deduction, that option will be available within the registration module.
- Only ONE tag will be issued per student or employee. In the event of a lost or stolen permit, the applicant will be required to purchase another permit at the standard rate.
- Permits must be hung on your vehicle’s rear view mirror when parked on campus.
